# How to access your MyMac Classes
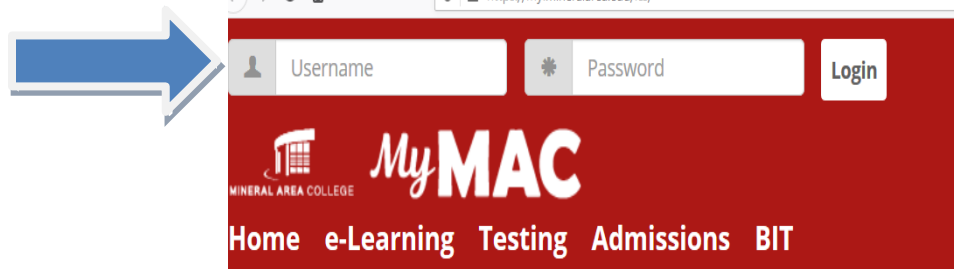

Using an internet browser (**Mozilla Firefox** or **Google Chrome** highly recommended), navigate to **mineralarea.edu**

Click on MyMAC
(at the Top of the page)

**Login using your login credentials**

*If you do not know your **User Name** or **Email**, access your **Login Information** on the right and then click "Get MyMAC Password" in red section at top of page"*

Once you are logged in to the MyMAC system.

To see a list of your current semester courses, **click** the **e-Learning** tab at the top of the screen.

To access your course, click on the course name found under My **Courses.**
