

WIOA NATIONAL FARMWORKER JOBS PROGRAM (NFJP)

Are you a farmworker or member of a farmworker family?
Have you done seasonal agricultural work in the last 2 years?
If yes, call us now! **1 (866) 789-4870**
You may qualify for **FREE** job training with NFJP.

What is the NFJP?

It is a WIOA program where eligible migrant and seasonal farmworkers and their families get education and training, improve job skills, and obtain good-paying jobs with benefits, and/or advance in agricultural careers. Veterans receive priority services.

What kinds of job training can I get?

You can get short-term training in many different career fields, including:

- Agriculture
- Health Care
- Heavy Equipment Operation
- Commercial Truck Driving
- Welding

Each of these occupations pay good wages with benefits and have lots of available job openings!
